

**MEMORANDUM
OFFICE OF THE
BOARD OF SUPERVISORS
COUNTY OF PLACER**

TO: Honorable Board of Supervisors

FROM: Jack Duran, Supervisor, District 1

DATE: April 8, 2014

SUBJECT: **PROCLAMATION** – Approve and present a Proclamation declaring April 2014 as Child Abuse Prevention Month.

ACTION REQUESTED:

Approve and present a Proclamation declaring April 2014 as Child Abuse Prevention Month.

BACKGROUND:

Each year, the Placer County Department of Health and Human Services, along with many community partners, actively pursues the goal of reducing child abuse and neglect for Placer County children. KidsFirst, in its capacity as the Child Abuse Prevention Council, and together with other key partners, leads a collaborative effort to deliver a variety of services that assist and support Placer County families in creating safe homes and communities.

In 1983, Congress declared April to be National Child Abuse Prevention Month, which established April as a time to acknowledge the children who suffered child abuse and look forward to a day when our communities will be free from abuse and interpersonal trauma inflicted on children. Placer County desires to support KidsFirst and all of our allied community partners in raising awareness and providing prevention and education to the community regarding the most effective and useful methods to prevent the abuse of children and join the nation in proclaiming April 2014 as Child Abuse Prevention Month.

Placer County is one of 18 counties in California that, following a multi-year decline in service need, has seen an increase in the number of referrals for child abuse and neglect since early 2012, affirming a need for public sector awareness.
